Justification for Single Source Purchase (what is necessary and unique about the commodity, contractual service, or source; steps taken to confirm unavailability of competition, as appropriate):

The Language ENvironment Analysis (LENA) Grow is an evidence-based professional development program that helps early childhood educators improve classroom language environments in early learning settings. The Learning Environment Analysis (LENA) Grow is the sole manufacturer and distributor of the "talk pedometer" technology that will be used to measure the quality of teacher-child interactions, collect data and support strength based coaching to early educators increasing both quantity and quality of the teacher-child interactions. The intended outcomes of this initiative include increasing CLASS composite scores leading to better long-term outcomes for children. An exhaustive search for a similar platform did not yield any competitors. Patents for the LENA System™, including one or more of its component software and hardware products, including LENA Pro™, LENA Hub™, LENA Online™ (also known as LENA Mobile™), and the Digital Language Processor™ (also known as the LENA recorder) can be found online at lena.org/patents. Sole source letter attached.
